Subject: Re: IPRA Request

Mr. Ortiz,

Thank you very much for allowing me to comment at your PVID Board meeting held at the El Rancho Community Center today, in which the public was asked to submit a written comment in order to be allowed to speak with a 3 minute limit per written comment form. As I stated, the New Mexico Inspection of Public Records Act states that a reply of acknowledgement for an IPRA request must be received by the requester within 3 business days. To date, I have not received a response as required. Therefore, I will assume that my request is not overboard nor burdensome. I provided you and the board with a copy of the New Mexico Inspection of Public Records Act and highlighted that the documents requested are due within 15 business days of my request.

I appreciate your attention to this matter and expect the documents on or before December 31, 2014.

Respectfully,
Beverly Duran-Cash
